See instructions for the IRS' similar hint that this is your main chance to explain why anyone should care about your work. This includes donors and funders, but also the IRS itself in terms of whether you're doing enough good to deserve your favorable tax status. This section should make the reader want to get out their checkbook!

Very controversial admission about IRS' [lack of explicit] statutory authority, but they're serious about using info as audit flag.

18 Section 6104 requires an organization to make its Forms 1023 (or 1024 if applicable), 990, and 990-T (501(c)(3)s only) available for public inspection. Indicate how you make these available. Check all that apply.
 Own website Another's website Upon request *IRS prefers on primary website, but "on request" is clearly OK.*

19 Describe in Schedule O whether (and if so, how), the organization makes its governing documents, conflict of interest policy, and financial statements available to the public.

20 State the name, physical address, and telephone number of the person who possesses the books and records of the organization: *A responsible person in case an IRS envelope comes - someone who will open all mail and NOT procrastinate!*

Independent Board Member: 1) not compensated ofcr or employee of org or related org; 2) not indep contractor >\$10K, excepting director fees; 3) no other transactions reportable on Schedule L (another concept not in Internal Revenue Code) Form 990 (2008)

These rules were developed for very large institutions (as usual). In a typical community-based NPO with Exec Dir & Finance Dir, both get listed & reported because both included as "Officers" based on IRS definition, regardless how much paid. In such cases, much of the complexity in definition of "Key Employee" can be ignored and just list and report them.

Part VII Compensation of Officers, Directors, Trustees, Key Employees, Highest Compensated Employees, and Independent Contractors Always keep in mind that "reportable compensation" is a specific term related to Columns D&E on Pt VII, or to Forms W-2 and 1099, and not to non-taxable benefits.

Section A. Officers, Directors, Trustees, Key Employees, and Highest Compensated Employees

1a Complete this table for all persons required to be listed. Use Schedule J-2 if additional space is needed.

- List all of the organization's **current** officers, directors, trustees (whether individuals or organizations), regardless of amount of compensation, and **current** key employees. Enter -0- in columns (D), (E), and (F) if no compensation was paid.
- List the organization's five **current** highest compensated employees (other than an officer, director, trustee, or key employee) who received reportable compensation (Box 5 of Form W-2 and/or Box 7 of Form 1099-MISC) of more than \$100,000 from the organization and any related organizations. Double the \$50,000 definition of "highly compensated" on the old 990. Many thresholds doubled on this new 990.
- List all of the organization's **former** officers, key employees, and highest compensated employees who received more than \$100,000 of reportable compensation from the organization and any related organizations.
- List all of the organization's **former directors or trustees** that received, in the capacity as a former director or trustee of the organization, more than \$10,000 of reportable compensation from the organization and any related organizations.

List persons in the following order: individual trustees or directors; institutional trustees; officers; key employees; highest compensated employees; and former such persons.

Check this box if the organization did not compensate any officer, director, trustee, or key employee.

(A) Name and Title	(B) Average hours per week	(C) Position (check all that apply)						(D) Reportable compensation from the organization (W-2/1099-MISC)	(E) Reportable compensation from related organizations (W-2/1099-MISC)	(F) Estimated amount of other compensation from the organization and related organizations
		Individual trustee or director	Institutional trustee	Officer	Key employee	Highest compensated employee	Former			
Name Each title held (e.g.: "President & Director")	<i>actual number required (decimal <1 rounded to .1 is OK, as in: ".2" [hr / wk]; but may not enter just "as needed")</i>							(report even if <\$600 & thereby exempt from 1099)	* some exceptions in Col E instr; * in some cases may ignore amounts <\$10K from related orgs; * if paying formers just for being formers (5th list type), no <\$10K exception, must report all \$.	May skip some items if <\$10K (!) (what they consider minor benefits). There are 5 types listed no matter \$ size. Exact definition is in instructions to Schedule J Part II (!) but will usually come down to non-taxable benefits such as health insurance, and more complex topics such as deferred compensation that doesn't usually arise in the community based world.

Who to list?
(very summarized quick reference - also see instructions! - nice Matrix on Instructions Page 28)

List (this is also the order they want them listed in):
 All Current Fiscal Year Board Members ("Directors" "Trustees") (served any of FY)
 All Current Fiscal Year Officers (served any of FY)
 All Calendar Year Key Employees if comp >\$150K counting Cols (D+E)
 Top 5 Employees not caught above if Calendar Year >\$100K counting Cols (D+E)
 Former (5 Yrs) Ofc's & Key EEs if CalYr >\$100K counting Cols (D+E) for services (i.e. employment or contractor) (see Col C instructions)
 Former (5Yr) Board Members if CalYr >\$10K paid (Cols D+E) just for being a former Board Mbr (not fair payment for actual services) (see Col C instructions)

Definition Notes:
 * CEO ("top management official") and CFO ("top financial official") count as officers. (Therefore reportable regardless of amount paid).
 * Review instructions for what IRS also considers an officer, but it always includes all officers under state law and the CEO & CFO.
 * See instructions if a Management Company is used.
 * Definition of "Key Employee" (3 part test):
 1. Reportable compensation Col (D+E) for CALENDAR year >\$150K
AND
 2. A. Officer-level responsibility
OR
 B. Manages segment of organization with >=10% of activities, assets, income, or expenses of the whole organization
OR
 C. Has or shares authority over 10% or more of organization's capital expenditures, operating budget, or employee compensation
AND
 3. Is one of the top 20 employees described in first two parts of this definition (in other words, there are never more than 20 key employees even in huge orgs)

If non-calendar fiscal year, trigger periods vary, but all amounts reported on this schedule are for the calendar year within the fiscal year...i.e. NOT the same amounts reported on the functional expenses schedule or financial statements.

 This is very confusing and requires very careful work - the "year" for triggering WHO gets listed, but the amount is ALWAYS the calendar year (idea is to allow apples-to-apples comparison for the public and for IRS on what is comparable compensation).

Unfortunately, no more handy list of "exclusion codes" - good idea to save a copy from old 990 instructions! (It is the best shorthand list of a complex area; gives sections for each exclusion, helpful here and on new Schedule A.)

Part VIII Statement of Revenue

Schedule B on donors has not changed at all
